RE: **FISCAL YEAR 2004/2005 PAYROLLS**

With the enactment of the budget, the payroll payments that were suspended for the employees affected by the delayed budget can now be released. The payments were issued in the July 28, 2004 supplemental green payroll cycle and held pending an approved budget. Direct deposit payments were posted to employees' accounts on August 2, 2004. Payroll warrants are now available for pick-up. The voluntary deductions withheld from the payments were reported to the deduction companies in the July 2004 month end reporting period (i.e., no delayed reporting).
